Clinical Psychologist VII

\$7,699 - \$8,056 monthly, commensurate w/ training and experience

This position is responsible for providing mental health services to pre-trial inmates convicted and persons preparing for parole.

Recommended Qualification

Experience: Two years of year of professional **post-doctoral clinical psychology experience** which involved psycho diagnostic and psycho therapeutic services to individuals with severe problems of personality, social and emotional adjustment or mental retardation. One year must have been comparable to the Clinical Psychologist VI in State service.

The Clinical Psychologist VI performs professional work in clinical psychology at a level of professional maturity; provides psycho diagnostic, psycho therapeutic, and consultative services and performs work in prevention, training and/or research; and performs other related duties as assigned.

For this level, one year of research or college level teaching experience in the field of clinical psychology may be used toward meeting the overall experience requirement.

Education: Applicants must possess the requirements specified in either **A, B, C, D, OR E** below:

- A.** Successful completion of all requirements for a doctoral degree from an accredited college in clinical psychology which included an internship in clinical psychology. In lieu of the internship requirement, applicants may substitute one year of professional work experience in the field of clinical psychology.
- B.** Successful completion of all requirements for a doctoral degree from an accredited college in a specialty related to clinical psychology. The doctoral program must have included an internship in clinical psychology or must have been supplemented by a post-doctoral clinical internship. In lieu of the clinical internship requirement, applicants may substitute one year of post-doctoral clinical psychology experience under competent professional supervision.
- C.** Holds a doctoral degree from a training program approved by the American Psychological Association (APA), or holds a doctoral degree from a regionally accredited institution of higher education and also meets the experiential requirements for inclusion in the National Register of Health Service Providers in Psychology, as described in Chapter 465, HRS.
- D.** Holds a diplomate certificate in good standing granted by the American Board of Examiners in Professional Psychology, as described in Chapter 465, HRS.
- E.** A valid license to practice psychology in the State of Hawaii, as described in Chapter 465, HRS.

License: **A.** Within two years from the date of appointment, applicant(s) hired must meet the requirements for licensure and obtain a license issued by the Hawaii State Board of Psychology, as required by Chapter 465, HRS.

Applicants who possess a current Hawaii license to practice Psychology must submit a copy of their license, identified by the job title and recruitment number, to our office.

B. License: A valid driver's license is required for some positions. For those positions requiring a driver's license, you must possess a valid driver's license at the time of appointment.
